

## GRASSROOTS CIVIC ACTION

# Indivisible Henderson & Boulder City

A Trusted Voice for Local Political Engagement in Southern Nevada

**Our Purpose:** Built on the values of *Indivisible.org*, **Indivisible Henderson-Boulder City** is a constituent-led organization dedicated to defending democracy, promoting civic literacy, and driving progressive action in Southern Nevada. We serve as a trusted local platform for community members to advocate, organize, and hold elected leaders accountable.

## ■ GROUNDED IN INDIVISIBLE CORE VALUES

### GRASSROOTS POWER

#### People-Powered Advocacy

We believe real change starts at home. Our agenda is shaped by constituents, for constituents—driven by neighbor-to-neighbor engagement across Henderson and Boulder City.

### INCLUSIVITY & EQUITY

#### Broad-Based Coalition

We champion equal rights, social justice, and protection for all residents. We build inclusive spaces where every voice is heard and every neighbor is protected.

### ACCOUNTABILITY

#### Holding Officials Accountable

Elected leaders serve the public. We maintain continuous oversight of municipal, county, state, and federal representatives to ensure transparent governance.

### STRATEGIC ACTION

#### Effective Civic Engagement

Using proven non-violent grassroots methods—town halls, legislative outreach, and voter mobilization—we turn political awareness into measurable results.

## ■ WHY WE ARE A TRUSTED VOICE IN SOUTHERN NEVADA

| PILLAR OF TRUST          | OUR COMMUNITY COMMITMENT                                                                                                                                                     |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Deep Local Roots         | We live in Henderson and Boulder City. Our focus centers on issues affecting our neighbors: water conservation, public education, clean energy, and voting rights in Nevada. |
| Fact-Based Communication | We cut through political clutter with accurate, research-backed information on legislation, ballot questions, and local ordinances so citizens can make informed choices.    |
| Sustained Engagement     | We advocate 365 days a year—not just during election season. We maintain an active local presence through regular meetings, legislative updates, and civic actions.          |
| Uncompromising Integrity | As an independent grassroots organization, our sole obligation is to our community. We are funded and led by volunteers, free from corporate or special interest control.    |

## ■ HOW WE EMPOWER OUR COMMUNITY

### Voter Education & Empowerment

- **Voter Mobilization:** Conducting non-partisan voter registration drives and expanding turnout in Clark County.
- **Civic Information:** Distributing clear, researched ballot guides and policy summaries.
- **Candidate Transparency:** Hosting town halls to directly question candidates on key local issues.

### Legislative & Community Action

- **Nevada Legislative Advocacy:** Mobilizing public testimony, calls, and emails to state lawmakers.
- **Defending Democracy:** Protecting voting access, election integrity, and fundamental civil rights.
- **Local Alliances:** Partnering with regional civic, labor, and environmental groups for collective impact.

*"Democracy is not a spectator sport. It requires active, informed, and persistent participation."*  
**Indivisible Henderson-Boulder City** provides the local network to make your voice count.
